Washington, D.C. 20204

Dear Dr. Kahl:

Murdock Madaus Schwabe Professional Products, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Horsechestnut Pro. The dietary ingredient that is the subject of the statement is Horsechestnut seed. The statement reads as follows:

"Supports healthy circulation in the legs. MMS Pro's Horsechestnut Pro (Aesculus hippocastanum) extract provides aescin, a saponin that has been shown to support healthy circulation. Aescin promotes healthy tone in the veins of the lower extremities."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

MMS PRO

Gordon M. Walker Regulatory Counsel
